

My favourite food is:

.....MMMM!

**These things make me
feel happy:**

Things I don't really like:

Is there anything else you would like to tell us?

Breakfast and After School @ Ecton Brook Primary

Pupil Welcome Pack

Welcome! We hope that you will enjoy coming to the sessions. We're looking forward to getting to know you. This booklet contains information about the club to help you settle in.

Our sessions are all about play. We have a variety of toys, art and craft and ICT resources for you to use. We play both indoors and outdoors, and you will be offered a snack and a drink in every session.

As a group member you are free to choose what play activities you do, the adults are there to help you have a happy, safe place to play. We want everyone who comes to sessions to really enjoy themselves. To do this we have a few basic rules;

- Everyone is expected to be kind and helpful to everyone else at the setting.
- Don't let any part of your body do anything you know is wrong
- Listen to adults and follow instructions when given
- Talk to an adult if there is something that makes you unhappy

To help us learn a little about you, please answer the questions in this booklet, (some of you may require an adults help to do this.)

My name is:
.....

I like people to call me:
.....

I live with: 

My favourite toys/games are:
