## Mathletics and Reading eggs

The school subscription for use of Mathletics and Reading eggs will discontinue at the end of this week. The school have previously paid an annual subscription for all pupils but after feedback from teachers and pupils we will no longer be using this as our online homework system. The cost for the school is high and the impact and amount of pupils using it has not been great over the last year. Year six will be introduced to a new online homework system in the near future and we are researching a new provider for all other pupils. If you would like your child to continue with Mathletics or Reading eggs there is an opportunity to buy a home subscription package.

Please see the Mathletics and Reading eggs website for details.

## Half Term Activities

These activities are free to Junior members of Lings Forum

## Respectful Behaviour

We welcome visitors to our school. We will act to ensure it remains a safe place for pupils, staff and all other members of our community. If you have concerns, we will always listen to them and seek to address them in the appropriate manner. Please be aware, however, that abusive behaviour (including rudeness to members of staff), threatening or violent behaviour will not be tolerated. Visitors behaving in this way will be asked to leave the premises and may be refused entry in the future.

## Leaving arrangements for pupils at the end of the school day.

Our policy for children leaving class at the end of the day or after a club is as follows. Reception, Year one and two children will be dismissed from the classroom door by their teacher to their parent, guardian or childminder. If an alternative adult is collecting your child the school must be informed of this. In Years three, four, five and six, pupils are allowed to leave the classroom observed by their teacher at the end of the day and go to the adult collecting them. Children are instructed that if the adult is not there they must return to the classroom straight away. If you have given permission for Year five or six children to walk home alone this is at your own risk.
