

# PE and School Sport Premium 2018/2019

*Evidencing the impact and sustainability of the programme*

**School Name**

Ecton Brook Primary School

**Head Teacher**

Neil Woods & Debbie Archer

**PE Coordinator**

Neil Woods/Yvonne Male/Lynett Pilgrim

## PE and School Sport Premium – The Purpose

The premium must be used to fund additional and sustainable improvements to the provision of PE and sport, for the benefit of primary-aged pupils, in the 2018 to 2019 academic year, to encourage the development of healthy, active lifestyles.

## Vision - Government

All pupils leaving primary school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport

## Vision – School

All pupils will participate in physical activity and are challenged to develop their physical skills. Pupils will be aware of a wide range of physical possibilities they can take part in now and in the future. Pupils will have a clear understanding of and skills set to achieve healthy lifestyles now and in the future

## Objectives

Schools must use the funding to make **additional and sustainable** improvements to the quality of physical education (PE), physical activity and sport they offer. This means that Ecton Brook Primary School will use the premium to:

- i) Develop or add to the PE, physical activity and sport activities that your school already offers
- ii) Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future year
- iii) Through PE and School Sport we give the children a variety of opportunities and develop physical and social skills to enable them to lead healthy lifestyles and have a lifelong passion for physical activity.

## Key outcome indicators; updated for 2018/2019

Schools can use the funding to secure improvements in the following indicators;

1. The engagement of all pupils in regular physical activity – the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
2. The profile of PE and sport is raised across the school as a tool for whole-school improvement
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport
4. Broader experience of a range of sports and activities offered to all pupils
5. Increased participation in competitive sport

## Meeting national curriculum requirements for SWIMMING and WATER SAFETY

### You can use your funding for...

- ✓ Professional development and training that are available to schools to train staff to support high quality swimming and water safety lessons for their pupils.
- ✓ Additional top-up swimming lessons to pupils who have not been able to meet the national curriculum requirements for swimming and water safety after the delivery of core swimming and water safety lessons. At the end of key stage 2 all pupils are expected to be able to swim confidently and know how to be safe in and around water.

### You should not use your funding to...

- ✗ Employ coaches or specialist teachers to cover planning preparation and assessment (PPA) arrangements – these should come out of your core staffing budget.
- ✗ Teach the minimum requirements of the national curriculum – with the exception of top-up swimming lessons after pupils’ completion of core lessons (or, in the case of academies and free schools, to teach your existing PE curriculum).
- ✗ Fund capital expenditure.

**Schools are required to publish information on the percentage of their pupils in year 6 who met each of the 3 swimming and water safety national curriculum requirements**

Outcome	% of pupils achieving outcome	
	2017/2018	2018/2019
Swim competently, confidently and proficiently over a distance of at least 25 metres	65%	
Use a range of strokes effectively; front crawl, backstroke and breaststroke	60%	
Perform safe self-rescue in different water-based situations	60%	
The premium may also be used to provide additional top-up swimming lessons to pupils who have not been able to meet the national curriculum requirements for swimming and water safety after the delivery of core swimming and water safety lessons. At the end of key stage 2 all pupils are expected to be able to swim confidently and know how to be safe in and around water. <b>Have you used and funding for this purpose?</b>	NO

## Accountability

It is a statutory requirement of Ofsted, under their Common Inspection Framework, to ensure that information on the use of the Primary PE and Sport Premium is available on your school website. One of the key purposes of putting information on the school website is to keep parents informed, so this information should be written in a format that is clear and easily accessible.

## Department for Education guidance on how to use the Primary PE and Sport Premium – updated in October 2018

**Schools must use the funding to make additional and sustainable improvements to the quality of physical education (PE), physical activity and sport you offer.**

This means that you should use the premium to:

- ✓ Develop or add to the PE, physical activity and sport activities that your school already offers
- ✓ Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

**Schools can use the premium to secure improvements in the following indicators:**

1. the engagement of all pupils in regular physical activity – the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
2. the profile of PE and sport is raised across the school as a tool for whole-school improvement
3. increased confidence, knowledge and skills of all staff in teaching PE and sport
4. broader experience of a range of sports and activities offered to all pupils
5. increased participation in competitive sport

**For example, you can use your funding to:**

- ✓ Provide staff with professional development, mentoring, training and resources to help them teach PE and sport more effectively and embed physical activity across your school
- ✓ Hire qualified sports coaches to work with teachers to enhance or extend current opportunities
- ✓ Introduce new sports, dance or other activities to encourage more pupils to take up sport and physical activities
- ✓ Support and involve the least active children by providing targeted activities, and running or extending school sports and holiday clubs
- ✓ Enter or run more sport competitions
- ✓ Partner with other schools to run sports activities and clubs
- ✓ Increase pupils' participation in the School Games
- ✓ Encourage pupils to take on leadership or volunteer roles that support sport and physical activity within the school
- ✓ Raise attainment in primary school swimming to meet requirements of the national curriculum before the end of key stage 2
- ✓ Embed physical activity into the school day through active travel to and from school, active playgrounds and active teaching

### Active miles

Where schools choose to take part in an active mile, you should use your existing playgrounds, fields, halls and sports facilities to incorporate an active mile into the school day and develop a lifelong habit of daily physical activity.

## Raising attainment in primary school swimming

The premium can be used to:

- ✓ Fund the professional development and training that are available to schools to train staff to support high quality swimming and water safety lessons for their pupils.
- ✓ provide additional top-up swimming lessons to pupils who have not been able to meet the national curriculum requirements for swimming and water safety after the delivery of core swimming and water safety lessons. At the end of key stage 2 all pupils are expected to be able to swim confidently and know how to be safe in and around water.

Schools are required to publish information on the percentage of their pupils in year 6 who met each of the 3 swimming and water safety national curriculum requirements. Further details are in the [online reporting section](#).

You should not use your funding to:

- ✗ Employ coaches or specialist teachers to cover planning preparation and assessment (PPA) arrangements – these should come out of your core staffing budgets
- ✗ Teach the minimum requirements of the national curriculum – with the exception of top-up swimming lessons after pupils' completion of core lessons (or, in the case of academies and free schools, to teach your existing PE curriculum)
- ✗ Fund capital expenditure

## Accountability

### Ofsted inspections

Ofsted assesses how primary schools use the primary PE and sport premium. They measure its impact on pupil outcomes, and how effectively governors hold school leaders to account for this.

You can find details of what inspectors look for in the 'effectiveness of leadership and management' section of the [Ofsted schools inspection handbook 2018](#).

### Online reporting

You must publish details of how you spend your PE and sport premium funding by the end of the summer term or by 31 July 2019 at the latest. This is different to last year's (2017/2018) reporting deadline. Online reporting must include:

- ✓ The amount of premium received
- ✓ A full breakdown of how it has been spent
- ✓ The impact the school has seen on pupils' PE, physical activity, and sport participation and attainment
- ✓ How the improvements will be sustainable in the future

You are also required to publish the percentage of pupils within your year 6 cohort in the 2018 to 2019 academic year who met the national curriculum requirement to:

- ✓ Swim competently, confidently and proficiently over a distance of at least 25 metres

- ✓ Use a range of strokes effectively
- ✓ Perform safe self-rescue in different water-based situations
- ✓ Attainment data for year 6 pupils should be provided from their most recent swimming lessons. This may be data from years 3, 4, 5 or 6, depending on the swimming programme at your school.

To help you plan, monitor and report on the impact of your spending, it's recommended that you download a template to record and publish your activity. We have commissioned partners in the physical education and school sport sector to develop a template. The template can be accessed through the Association for PE and Youth Sport Trust websites.

### **School compliance reviews**

We will sample a number of schools in each local authority to review what they have published on their use of the funding and their swimming attainment. Schools are expected to spend the grant for the purpose it was provided only; to make additional and sustainable improvements to the PE, sport and physical activity offered.
