

NORTHAMPTON PRIMARY  
ACADEMY TRUST PARTNERSHIP

**Pupil Admissions Policy**  
**Ecton Brook Primary School**  
**For Admission in 2020/21**

Date approved by the NPAT Board of Directors:	February 2019
Chair of Directors Signature:	
Renewal Date:	February 2020

## **1 Policy statement**

1.1 Ecton Brook Primary School is a primary school in Northampton and is part of Northampton Primary Academy Trust. This admissions policy was finalised following public consultation on a Trust-wide approach to admissions. Our aim is to ensure all our schools have fair, clear, objective and easily understandable admissions arrangements that focus on serving the local community, reflect our vision and values and are as easy as possible for parents/carers of potential pupils to understand.

1.2 More information about Northampton Primary Academy Trust is available on our website: [www.npatschools.org](http://www.npatschools.org)

1.3 Ecton Brook Primary school is a two site school with a campus at Ecton Brook and a campus at Bellinge. We have joint full time Headteachers Mr N Woods and Mrs D Archer. We are a busy, caring and ambitious school and we look forward to meeting you on our open days or for visits to our school. Please see our website for more details.

1.4 More information about our school is available on our website: <http://www.ectonbrookprimary.uk.org/>

## **2 Published Admission Number (PAN) and process**

2.1 The school has a PAN of 90 for entry in Reception.

2.2 The school will accordingly admit this number of pupils if there are sufficient applications. Where fewer applications than this are received, Northampton Primary Academy Trust schools will offer places at the school to all those who have applied.

2.3 Applications in the 'normal round' (that is the main cycle of applications for Reception places from the beginning of the school year) are administered on behalf of the Northampton Primary Academy Trust schools by Northamptonshire County Council's School Admissions Team Local as part of the local coordinated scheme.

## **3 Child's Home Address**

We allocate school places using the address your child is living at on the closing date for applications 15<sup>th</sup> January 2020.

When we refer to a child's home address, we mean the permanent residence of the child. This address must be the child's only or main residence that is either:

- Owned by the child's parent, parents or carer/guardian.
- Leased to or rented by the child's parent, parents or guardian under a lease or written rental agreement of not less than six months duration. The property leased should be that in which the family lives.

**We may require written proof of ownership or a rental agreement and proof of actual permanent residence at the property.**

We cannot allocate places on the basis of intended future changes of address unless house moves have been confirmed through the exchange of contracts with a completion date, or the signing of a formal lease agreement.

If you change your address at any time during the admission process, please tell the School Admissions Team – whose contact details are shown on the back cover of this booklet. Please note that we cannot allocate on the basis of a change of address after the closing date for applications. We use the address we hold on the closing date to allocate places, but will use your new address for any correspondence.

We do not usually accept an address if:

- It is the address of your second home. If you have two homes, we will check which one is your main home. We may refuse to allocate a school place at an address which we consider to be a temporary or business address.
- Only part of a family moves, unless this was as a result of a divorce or permanent separation arrangement. We will ask for proof of this.

We reserve the right to seek further written proof to support your claim to residence, and that your child is living there.

**Please note:** an address used for childcare arrangements **cannot** be used as a home address when applying for a school place.

**Each year, the School Admissions Team will check a sample number of addresses at random by asking the parent/carer to prove the address they have stated on their application.**

#### **4 Education Health and Care Plans**

Children will be admitted where a child has EHC plan which names the school as the appropriate provision.

#### **5 Oversubscription criteria**

5.1 When the school is oversubscribed (that is, there are more applications than places available), after the admission of pupils with an Education, Health and Care Plan that names the school, priority for admission will be given to children in the order shown below:

1. Looked After Children and Previously Looked After Children
2. Siblings
3. School Staff
4. Children who live closer to the preferred school than any other school
5. Other children

## **6 Oversubscription criteria definitions**

- 6.1 **Looked after Children:** They are (a) in the care of a local authority or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see definition in Section 22(1) of the Children Act 1989).
- 6.2 **Previously looked after children** are children who were previously looked after but immediately after being looked after became subject to adoption, a child arrangements order, or special guardianship order. These definitions are set nationally, by the Department for Education.
- 6.3 **Siblings:** The sibling must be attending the school at the point of proposed admission. Note – this definition is the one used by the Local Authority in relation to admissions to schools that they maintain - Northampton Primary Academy Trust schools adopt the same definition to avoid any confusion and keep arrangements as simple as possible for local parents and carers.

Siblings are defined as a brother or sister living at the same address as the applicant (i.e. within a family unit) including:

- a brother or sister sharing the same parents;
  - a half-brother or half-sister where two children share one common parent;
  - a step brother or step sister, where two children are related by a parents' marriage/civil partnership;
  - a child who has been adopted or is fostered by parents/carers who have other children.
- 6.4 **School Staff:** The school may give priority in their oversubscription criteria to children of staff in either or both of the following circumstances:
- where the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made, and/or
  - the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.
- 6.5 **Distance Tiebreaker and Measurements:** This is the process we use if more than one child has an equal right to a place after applying the school's oversubscription admission criteria. Unless otherwise stated, distances are measured from the address point of your home to the address point of the school on a straight line basis, using a geographical information system. Each address has a unique address point established by the most valuable elements from the National Land and Property Gazetteer (NPLG), Ordnance Survey Master Map, Royal Mail Postal Address File and The Valuation Office Agency. The address point for a property does not change.

In the case where multiple applications for the same shared dwelling (e.g. Flats) occurs; a randomiser will be used to decide the priority in which the pupils within the shared dwelling are selected in the event of a tiebreaker. In the groups oversubscription admission criteria (criteria which apply to a number of schools), two

types of distance rankings are used. Group A ranks children according to distance simply using 'closest to the school'. In Group B, the criterion within which the PAN is reached determines the type of distance ranking used. Type of distance measurement used to rank children when schools are oversubscribed:

**Children who live closest to the school:** Applicants are ranked according to the distance of the home address to the school. Priority is given to those living closest to the school.

**Children who live furthest from their nearest alternative school:** An alternative school is one at which a place could have been allocated as an alternative to the preferred school.

(Single sex schools and schools which allocate places on the basis of religious allegiance are not regarded as alternative schools).

The nearest alternative school does not have to be one of the stated preferences and may be different for each child depending on where they live.

Where the school's PAN is reached in a criterion, all the children in that criterion are ranked according to the distance they live from their nearest alternative school. Priority is given to those who live furthest from the nearest alternative school.

This way of ranking children – furthest from the nearest alternative school – is used to ensure that the majority of children have a reasonable distance to travel to school.

**Please note: Late applications are measured to the nearest alternative school regardless of whether or not there are places remaining at that alternative school to ensure consistency in the allocation process.**

## **7 Allocation of Places Up To PAN**

Places will be allocated in criteria order up to the PAN of the school. If the number of children in a criterion means that a school would exceed its PAN if it admitted them all, there must be a way of establishing which children will be offered the places. In this case, all the children in the criterion will be ranked according to the distance from the school with those living nearest to the school having priority.

## **8 Tie-breaker**

All admission arrangements must include an effective, clear and fair tie-breaker to decide between two applications that cannot otherwise be separated. In the event of two distances being equal, Northamptonshire County Council measures to the next decimal point. If the measurements remain equal, lots will be drawn and the process will be independently verified.

## **9 Late Applications**

9.1 On time applications will be processed before those received after the closing date 15<sup>th</sup> January 2020 and parents who apply on time will be notified of the school allocated on National Offer Day, 16<sup>th</sup> April 2020.

9.2 Applications received after the closing date are referred to as 'late' applications and these will be processed in the further rounds of allocations.

- 9.3 Parents who make a late application will not receive notification of the outcome of a late application on the National Offer Day 16<sup>th</sup> April 2020.
- 9.4 If a late application is made for popular (oversubscribed) schools, it is possible that the school allocated may not be one of the three preferences as the popular schools fill up with on time applicants.
- 9.5 We will consider an application to be late if we receive it after the closing date 15<sup>th</sup> January 2020 at 5pm even if other children in the family attend the school, or if the children applying live in the linked area, or if the applications are for children who have just moved into the area/county.
- 9.6 If you need to apply for a school place after the closing date, you will have to complete the late application web form (which will be on the NCC website after 5pm on 15<sup>th</sup> January 2020 as the online application service for co-ordinated admissions will be closed. Alternatively, a paper application form may be completed. Paper forms may be obtained from the School Admissions Team. The contact details for the team are on the back cover of this booklet.
- 9.7 Late applications are processed within our additional rounds of allocation between May – July 2020. Depending on the number of applications received, it may take several weeks to process each round. Applicants will receive an offer via email where possible.

## **10 Delayed Applying for Summer Born Children**

- 10.1 The School Admissions Code allows parents/carers of summer born children (children born between 1st April to 31st August) to request that their child is admitted out of their normal age group (i.e. into Reception in the September following their 5th birthday, rather than into Year 1).

Before making the decision to do this, we recommend that you read the information about summer born children on NCC's website:

[www.northamptonshire.gov.uk/admissions](http://www.northamptonshire.gov.uk/admissions)

You may also wish to seek advice from professionals, such as your child's Early Years provider.

- 10.2 **The process is as follows for requests to delay applying to Reception for a whole school year for NPAT schools:**
  1. Parents of summer born children who could start school in September 2020, but wish to delay applying for a Reception place, should make their request directly to the NPAT school they are applying for before 1st December 1<sup>st</sup> December 2018. This is to enable sufficient time for requests to be processed and, where a request is not agreed, for the family to have adequate time to make an application for a place for September 2020 before the closing date of 15th January 2020.
  2. Parents/carers should indicate clearly their 3 preferred schools in order of preference, e.g. 1. School a, 2. School b, 3. School c
  3. 3. Parents/carers should submit their reasons (with evidence from an appropriate professional if available) for wishing to delay applying for a Reception place, including confirmation of agreement from the admission authority of the preferred school. If the school agrees to the parents' request to delay applying, the school will write to the parent/carer to confirm that an application can be made in the following year. The

letter will highlight the potential risks/impact of making a delayed application which may include the following:

- While a school may agree to a delayed application, there is no guarantee that parent will be allocated a place at that school in the following admissions round as other children may have a higher priority within the school's oversubscription admission criteria;
  - The application will be processed as part of the normal admissions round in the following year, according to the oversubscription criteria of each school stated as a preference. No additional priority will be given to the applicants and, therefore, the applications may not be successful for the preferred school(s);
  - The local authority will make every effort to allocate a Reception place (rather than a Year 1 place). However, it may not be possible to allocate a Reception place at the parent's preference or at the local school. This is because the local authority is not always the admissions authority and some schools, which are their own admission authority, may not agree to the delayed entry;
  - If we are unable to offer one of your preferred schools, it may not be possible to offer a place in Reception at another school (as they will not have agreed to delayed application). In this case, you would be offered a place at a school in Year 1 at the nearest school with a place available.
4. If the request is not agreed, the parent will receive a letter from the admission authority of the school providing reasons for refusal. Any complaints should be addressed to the admissions authority of the school in question;
  5. Parents/carers may still change their mind regarding delaying entry by a whole school year and may apply by the national closing date for primary school admissions 15<sup>th</sup> January 2020 in the normal admissions round for starting in the September following their child's fourth birthday. This will provide two further options for the parent/carer:
    - a) they can consider deferring the child's start date in Reception until later in the school year or
    - b) they can discuss part time arrangements with the allocated school, as detailed in paragraph 2.16 of the School Admissions Code. If an application is then received by the 15th January the parent's previous request to delay until the following year would no longer apply. Applications received after 5pm on the closing date will be treated according to the current NCC late application policy;
  6. A copy of the letter sent by NCC to the parent/carer will be sent to the Head teacher of the school concerned;
  7. Parents/Carers who choose to delay entry by a whole school year will need to apply for a school place in the admissions round for the following year. School Admissions will send a paper application form for parents to complete;
  8. If a child is given an Education Health Care Plan (EHCP) after an agreement has been made with School Admissions to delay an application for a place in Reception, the Plan will override any agreement made and will specify which school the child will attend and which year group the child will be in;
  9. Please note that other Local Authorities may have different arrangements for how they deal with Summer Born requests and this may affect you if you move to another county before taking up a school place in Northamptonshire.

If a parent who has applied by the statutory National Closing Date 15<sup>th</sup> January 2020 later changes their mind and wishes to delay their child's entry to Reception, they should discuss this and other options with the Head teacher of the allocated school. A request to delay applying for a Reception place for a summer born child will not be agreed if the reasons for the request are based on dissatisfaction with a place offered or if a place has not been offered at a preferred school.

The Department for Education advice on the admission of summer born children can be found at:

[www.gov.uk/government/uploads/system/uploads/attachment\\_data/file/389448/Summer\\_born\\_admissions\\_advice\\_Dec\\_2014.pdf](http://www.gov.uk/government/uploads/system/uploads/attachment_data/file/389448/Summer_born_admissions_advice_Dec_2014.pdf)

## **11 Waiting lists**

**11.1** Where the school receives more applications for places than there are places available, a waiting list will be operated by the school until 31 December 2020. The waiting list will be maintained by the school and it will be open to any parent or carer to ask for his or her child's name to be placed on the waiting list, following an unsuccessful application.

11.2 Children's position on the waiting list will be determined solely in accordance with the oversubscription criteria. Where places become vacant, they will be allocated to children on the waiting list in accordance with the oversubscription criteria. The waiting list will be re-ordered in accordance with the oversubscription criteria whenever anyone is added to or leaves the waiting list.

## **12 School Admission Appeals**

12.1 All applicants refused a place have a right of appeal to an independent appeal panel constituted and operated in accordance with the School Admission Appeals Code.

12.2 The appeals process is run in accordance with the statutory processes and timescales set out in the Northants County Council Appeals Timetable. Appeals should be lodged on line and set out the grounds for the appeal within 20 school days of finding out their application for a place has been unsuccessful. Information on the timetable for the appeals process is on our website at:

<https://www3.northamptonshire.gov.uk/councilservices/children-families-education/schools-and-education/school-admissions/school-appeals/Pages/default.aspx>

Appeals will be conducted by Northamptonshire County Council.
