## Sporting Update

This week the Young Leaders from the Ecton Brook Campus held a Multiskills festival for the KSI children. The Young Leaders did really well organising a festival that develop the younger children's skills. A similar event will be held at the Bellinge Campus next week.

Well done to all of the Year 5 children on the Bellinge Campus who have nearly completed their swimming sessions at Lings Forum. Mrs Male is really proud of the progress the children have made over these sessions and how much the children have grown in water confidence.

## Well Done Year Six

Year six pupils have just completed their SATs this week on both sites. We are so proud of the attitude of the children who really gave it their best efforts.

Well done to all of you and enjoy your trip to Chessington next week.

SATs don't measure the worth of the children but having a great attitude, trying their best and working hard even when things get tough certainly does.
